IQTEDAR DEVELOPERS

A LEGACY OF INNOVATION & PRODUCTIVITY

Widely recognized for their Reliability and Competence, Iqtedar Developers (Pvt.) Ltd. continues the legacy of innovation and progress, marked by the family since 1960s in construction industry, as the **largest market share** holders in Pakistan with multiple giant construction projects to their credit. Iqtedar Developers now teams up with Pomeroy Studio and AAA Partnership to set a new benchmark of living standards in Pakistan, through their flagship construction project Greens Enclave, **PAKISTAN'S FIRST Sustainable, Carbon-Efficient Urban Complex**, of a stature hard to match even globally.

JASON POMEROY

A SENSATION IN THE WORLD OF ARCHITECTURE

Pomeroy is **AN AWARD WINNING CELEBRITY ARCHITECT** fundamentally known for his smart and innovative architectural designs, revolving around **SUSTAINABLE URBANISM**. Serving as a thought leader in sustainable design, and **A PIONEERING GREEN WARRIOR**, he has led some of the most inspirational and creative architectural initiatives comprising zero-carbon community development. Trump Tower Manila, the carbon-zero Idea House of Malaysia, Carbon-negative B-House of Singapore, Golf Veranda and EduCity of Indonesia are just a few of his avant-garde contributions to the field of architecture, with a speculated potential of leading structural transformations around the globe.

AAA PARTNERSHIP

TURNING DREAMS INTO EMPIRES

Pakistan's **MOST DISTINGUISHED NAME** in Construction Management and Facilitation, AAA Partnership (Pvt.) Ltd. is widely renowned for their smart construction practices, sophisticated management, and timely deliveries. AAA has delivered some of the most outstanding construction projects with utmost excellence, including Indus Hospital, Pearl Continental, Opal 225 Tower (Karachi), UBL Head Office (Karachi) and Askari Tower (Lahore), just toname a few.
